Report on Community Service Project

Government Degree College, Naidupet has conducted community service project during the months of June and July as per the guidelines of Andhra Pradesh State Council of Higher Education, Vikrama Simhapuri University, Nellore and Commissioner of Collegiate Education, Andhra Pradesh. 194 students (i.e. 94 students of 2020- 21 admitted batch and 100 students of 2021-22 admitted batch) have completed their community service projects. All the students are equally allotted to lecturers based on group wise. Every lecturer acted as a mentor for completion of CSP in the stipulated time. Each Batch of CSP has identified problems in their community and selected a particular problem as their CSP project. After the selection of the problem each student collected data related to the chosen problem, analyzed and conducted awareness programs in their community. Each and every student has actively participated and successfully completed CSP and documented their CSP work.

The community service projects are evaluated by the internal Evaluation committee members, nominated by the principal .After the completion of the Evaluation, the CSP books and marks statements are sent to the Controller of Examinations, Vikrama Simhapuri University, Nellore.
