Dear Principals and JKC coordinators,

In this pandemic Covid-19 scenario, with your support and efforts a good number of students got benefited in enriching skills through online platform. This year as per Instructions of Hon'ble Commissioner we have introduced short term self learning courses like**TCSion edge, IBM PTech** out of which TCSIon is a self paced certificate course and IBM PTech is a course where students will earn IBM BADGES after completion of each level.

Along with this we also introduced IIT Bombay and CISCO-Eduskills prorammes, where IIT B courses are individual courses that any student can do and finally certified by IITB.

CISCO-Eduksills was introduced in 50 colleges,for which we have already trained 100 faculty from computer science and JKCmentors and 30 were undergoing the training till 06 feb 2021.

In this connection the trained CISCO faculty in each college should enroll the students in cisco training through the logins provided to them individually. On each faculty training CCE has spent Rs.20,000 and it is a global certificate course.

You must ensure that in your college all stream of students may not require CCNA training.Hence course wise enrollment has to happen (example is given in the attachment)

Hence to avoid duplication and confusion and to empower the coordinators and trained cisco faculty we are organizing a video conference with you on 29.01.2021 at 11am sharp ,where persons from IBM PTech, CISCO will join and clarify your doubts if any.

CamScanner

Hence make sure your attendance is mandated for this video conference and the link for the meeting will be shared by today evening through mail and whatsapp.The CISCO trained faculty,Mentors and JKC coordinators are requested to attend this review without fail.

With regards,

Dr.G.Srinivas,M.Sc,B.Ed,Ph.D

Chief Coordinator - JKC Monitoring Cell

PROCEEDINGS OF SPECIAL COMMISSIONER OF COLLEGIATE EDUCATION VIJAYAWADA, ANDHRA PRADESH

Present: Sri.M.M.NAYAK, IAS

Rc.No.155/ JKCMC/CISCO-Eduskills Programme 2020-21, dated 22/10/2020

***

Sub: Strengthening of JKC by introducing CISCO –Edu skills programme in Select 50 Govt Degree Colleges for Three years 2020-2023 - Reg

Jawahar Knowledge Centers (JKCs) were established in GDCs with an objective to enhance the employable skills for the rural students and to empower them to face global competency. In this connection Commissionerate of Collegiate Education had entered an MoU with CISCO-Eduskills with a focus on e skilling in Networking and computational skills with a emphasis to 21st century skills. This MoU will inforce for 3 years, In this period as per the MoU CISCO partner Eduskills will Provide the skills to students through Cisco Networking Academy .

Academy	Courses
Networking CISCO Academy	Introduction to IoT Introduction to Cybersecurity Cybersecurity Essentials NDG Linux Unhatched NDG Linux Essentials CLA: Programming Essentials in C CPA: Programming Essentials in C++ CPP: Advanced Programming in C++ PCAP: Programming Essentials in Python Mobility Fundamentals Get Connected Entrepreneurship IoT Fundamental Course: Connecting Things Big Data & Analytics IoT Security Cisco Certified Network Associate (CCNA) Cisco Certified DevNet Associate (DevNet)

For this programme as a pilot, CCE has selected 50 Govt College basing on availability of Regular Computer science faculty, JKC mentor and proper Infrastructure. The trained faculty shall act as Master Trainers for the CCNA Programme. The Students of any discipline can join in this programme and ach programme is having a stipulated time frame and assessment at the end.

The Colleges should ensure the following :

- NetAcad courses offering in identified 50 Govt Degree colleges.
- Provide for high speed broadband connectivity, computer lab for CCNA and other courses (based on minimum requirements shared by Cisco), and classroom IT set-up for all participating govt institutions.
- For any residential instructor trainings in future, manage space, general utility (electricity, water, and internet connectivity), trainers and trainee's food and accommodation, lab set up, individual laptops, etc.
- Every institution must have the minimum lab requirements for selected courses.
- Appoint point of contact to coordinate with Cisco partner in order to smoothly manage the program and to take care of all the logistics, issuance of required govt letters, etc.

CamScanner

Following are the benefit to the Faculty:

- Given life time credentials for CISCO Net Acad portal
- Life time membership by CCNA as Master Trainer/Instructor
- Get discounted vouchers for "Global Certifications"
- Full featured cloud based learning
- Can enroll any number of students in any college
- Frequent refresher training to faculty quarterly
- Free to attend instructor conference and seminar

Proposed Obligations of Cisco, directly and/or through its authorized partners:

- Program management support to all the academies (Govt Degree colleges) in the state.
- Provide the institutions with key learning materials and course content to support all the courses available on Cisco Net Acad portal.
- Provide a learning management system (LMS) to deliver the courses.
- CNA certification will be provided free of cost to students who pass the courses.
- Instructor professional development sessions (every quarter/bi-annual) for all the instructors in English and/or regional language.
- Access to workforce development programs such as:
  - Women Rock IT (WRIT): designed to both inspire young women to consider careers in IT as well as support and motivate those who are already on that journey.
  - Find Yourself In The Future (FYIF): A career oriented support program for the students from technology background.
  - Organize skill development competitions for students.

Hence in this connection, it is instructed to all the 50 college principals and Coordinators to ensure proper infrastructure and facilities for the smooth and successful running of the programme. The principals must ensure the following.

1. Dedicated Leased Internet for the computer lab
2. Repair of the existing computers/laptops
3. Pay annual support centre fee (Rs.20000+18%GST to Eduskills (3 Years)

To meet the above said expenditure the colleges are instructed to utilize the funds from student accumulated/Restructured/JKC funds /any existing funds not exceeding Rs. 5,00,000(Rupees Five Lakhs only) by duly taking staff council and concerned committee resolutions of your respective college.
