Interaction of Sri.G.Rajesh, Magic bus coordinator with the principal:

Magic bus India foundation was established in 2001, works with children and young people from underserved communities, taking them from a childhood full of challenges to a life with meaningful livelihood. We equip young people with the skills and knowledge they need to grow up and move out of poverty.

Our vision is a world where children break out of poverty and lead fulfilling, rewarding lives, contributing positively to their community and to the world around them.

Our mission is to take children and young people on a journey from a childhood of abject poverty and challenges such as child marriage and child labor, to a fulfilling life with a respectable livelihood. Working with their communities and families, Magic bus will deliver a program that teaches life skills and resilience. Working with their schools, Magic Bus will ensure that they attend school and their education is optimized. As these children become adults Magic Bus will work with them to ensure they have the right employability skills, get jobs and contribute to their communities.

After the completion of 24 hrs training program, we conducted Job mela . During the inaugural session, Mr.M Madhusudhar Verma the principal of Government degree college Naidupeta motivated the aspirants to be more focused on their future, next followed by the coordinator and placement officer encouraging the students to be more serious and make use of the opportunity wisely.

We request all students to come dressed in comfortable clothing suitable for practicing yoga. Also, kindly bring your yoga mats if you have one. Students who do not have a yoga mat can bring a towel to use as a substitute.
