## GOVERNMENT DEGREE COLLEGE

### NAIDUPET

**NAME OF THE ACTIVITY:** Inauguration of Eco club

**DATE:** 16.06.2018

**VENUE:** R.No.5

**NAME OF THE STUDENTS PARTICIPATED:** 60

#### OBJECTIVES:

- To inculcate the environmental friendly habits in students.
- To help the student to disseminate the message of conservation of nature.
- To create the awareness on ecological balance.

#### ACTIVITY REPORT:

- The eco-club was monitored by the Department of Botany in our College.
- The aim of eco club is to create awareness and impart knowledge of biodiversity and conservation and local environment issues among students.
- To makes the students to understand the clean and green environment.
- To develop the skills of observation experimentation, survive, recording, analysis, reasoning needed for conserving environment through activities.
- To make aware of proper attitudes towards environment and it conservation through action-based programmers?.
- To realize the issue related to environment through field visit.

#### STUDENT OUT COMES:

- Students can understand the importance of environmental awareness among all sections of society.
- Students can understand the benefits of ecological balance.
- Students got the knowledge on climatical changes.
- Students awareness among the public on conservation of environment.

**NAME OF THE ACTIVITY:** World Environmental day

**DATE:** 05.06.2021

**VENUE:** R.No.5

**NAME OF THE STUDENS PARTICIPATED:** 60

**OBJECTIVES:**

- To aware the students on impact on environment
- To create the awareness on climatic changes..

**ACTIVITY REPORT:**

- World environment day was celebrated the first time in 1974 and from then we celebrate it on 5<sup>th</sup> June every year.
- There are important reasons to restore ecosystems. Aside from the intrinsic worth of biodiversity, functioning ecosystems, they also serve as the foundation for many of our activities.
- Rebalancing human use of ecosystem services like pollination, flood protection, and CO2 sequestration, as well as nature's capacity to supply such services is critical to human long-term success.
- Emissions of greenhouse gases have risen globally over three consecutive years.

**STUDENT OUT COMES:**

- Students can understand the importance of environmental problems.
- Students can understand the benefits of ecological balance.
- Students got the knowledge on climatical changes.
- Students awareness among the public.

## GOVERNMENT DEGREE COLLEGE

NAIDUPET

**NAME OF THE ACTIVITY:** PLANTATION IN OUR COLLEGE CAMPUS

**DATE:** On auspicious days **17.07.2021**

**VENUE:** College campus

**NAME OF THE STUDENS PARTICIPATED:** 60

### OBJECTIVES:

- To aware the students on nursery plantation
- To create the awareness to restore important ecosystem services in urban and rural areas.

### ACTIVITY REPORT:

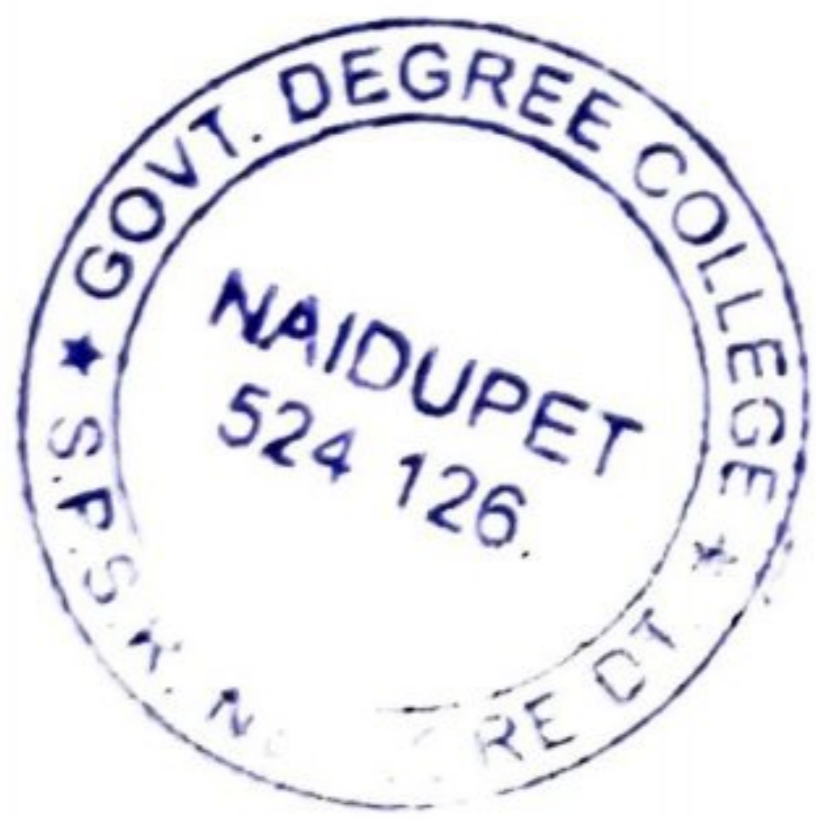

- Plantation contribute to their environment over loing periods of time by providing oxygen, improving air quality, conserving water, preserving soil.
- Our principal gave an inspiring speech on tree plantation.
- According to him, trees are the main sources of oxygen which every living thing on earth needs. They beautify our surrounding and severe as protection from direct heat of sunlight.
- In this program Principal, staff and students participated actively.

### PROGRAM OUTCOME:

- Students can understand the importance of plantation for human being and for the environment.
- Students can understand the benefits of trees on earth.
- Students got the knowledge that trees are main source of oxygen.
- Students awareness among the public.

## GOVERNMENT DEGREE COLLEGE

NAIDUPET

**NAME OF THE ACTIVITY:** CLEAN AND GREEN

**DATE:** Every Saturday ~~14.08.2021~~

**VENUE:** Inside and outside the College campus

**NAME OF THE STUDENS PARTICIPATED:** 52

### OBJECTIVES:

- To maintain a clean environment
- To reduce pollution, preserves our biosphere, protects species and helps the natural resources of earth.

### ACTIVITY REPORT:

- Our principal started Clean and Green Program and added this on our class time table. Every Saturday at 4-5 pm all the staff and students participate in this program.
- Few of them clean the campus and few students focus on gardening.
- The same is done once in a month by NSS.

### PROGRAM OUTCOME:

- Students can understand how to balance ecosystem in atmosphere.
- Students are able to understand about the protection and care for the environment.
- Students got the knowledge how to solve local environment problems
- Students awareness among the public on clean and green program

## NAIDUPET

**NAME OF THE ACTIVITY:** World Environmental day

**DATE:** 05.06.2022

**VENUE:** R.No.5

**NAME OF THE STUDENS PARTICIPATED:** 60

### OBJECTIVES:

- To aware the students on impact on environment
- To create the awareness on climatic changes..

### ACTIVITY REPORT:

- Environment Plays an Important role on healthy living and the existence of life on planet earth, earth is a home for different living species. We are all dependent on environment for food, air, water and other needs. Therefore it is important for every individual to save and protect our environment.
- The environment can be defined as everything is composed of both living and nonliving things.
- For This campaign is an excellent platform to reach the world population to encourage them to take action for environmental protection.
- You can also be a part of this global event by raising awareness about environmental issues and its preventive measures.
- Create the awareness on environmental is as Marine population, overpopulation, Global warming, Sustainable development, Climate change, plastic waste and wildlife crime.

### STUDENT OUT COMES:

- Students can understand the importance of environmental problems.
- Students can understand the benefits of ecological balance.
- Students got the knowledge on climatical changes.
- Students awareness among the public.
