NEWS LETTER

APRIL-2023

PRINCIPAL MESSAGE

Dear Community of The GDC NAIDUPET,

We want all our students to achieve their full potential. Our task is to make it possible and our mission is to provide a platform for the same.

Success for all students is ensured at our school by the delivery of an enriching, child centred, balanced and structured curriculum and a whole school focus on student welfare that focuses on the positive recognition of student achievements. Lecturers are highly qualified and experienced educators who are committed to supporting each student's learning experience through quality instruction and guidance that addresses the needs of the individual student. Lecturers work to provide students with differentiated support that address each student's specific needs both academically and socially.

I, personally believe that an education system that develops the imagination of the student is richer than the one that does not. The imagination is where new ideas are created and progress becomes possible. "Imagination is more important than knowledge" because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward. Imagination leads to innovation.

We firmly believe that the parents are their students first and most important lecturer. Parents play a vital role in the education of their children. We happily welcome all our parents to take an active role in the education of their children and to be the active participants in our College life. Get to know the staff, especially the Student lecturers and assist where you can so we can work together in the interests of everyone. I am eager to work with our parent community in supporting their children in their education. We always strive to build strong parent teacher relationship which is very important for the academic success of our students.

I would like the parents to know that my door is always open to discuss any concerns, questions, or ideas you may have regarding your students education. I

welcome you all to an outstanding learning community where everyone is dedicated to a high standard of excellence.

My commitment to our community is to lead the college with enthusiasm and passion to enable us to reach our goals. Let us work together to make GDC,Naidupet as the best College, it can be. We look forward to welcoming you to be part of our vibrant learning community.

“Let noble thoughts come to us from every side”

I look forward to seeing you all again.

Many Thanks and Very Best Wishes,

Dr.M.MADHUSUDANA VARMA
