**NEWS LETTER**

**JULY-2024**

## **PRINCIPAL MESSAGE**

During the month of July, we try to reinforce the values of Honesty and Integrity amongst our students. Integrity is the ingredient that will enable our students to forge rapidly ahead on the highway that leads to success. It advertises them as being individuals who will always come through if they keep in mind that they have to act upon their words and commitments with unwavering conviction. After an amazing start to the new academic year, we are now in our second month which brings with the first academic evaluation for the year. We wish all our students the very best for their upcoming exams. Constant and systematic study and revision will see them in good stead for these tests. With a flurry of activity and events including World Environment Day, Father's Day, International Yoga Day, World Music Day and our summer time activity of celebrating the king of fruits, the month of June was a whirlwind of subject based and co-curricular activities. The school has also conducted the Elections for the new Student Council 2024-25, through a democratic process of nominations and casting of votes, which reinforces the significance of their ballot in the future as citizens of our great nation. With academics in full swing, we have also focussed on beginning the Sports training post school hours, and we are encouraged to see the excitement amongst students. Sport and exercise will not only help our students gain strength and resistance, but also build important qualities including cooperation, team work, cohesion, tolerance and the competitive spirit. I take this opportunity to wish you a fulfilling July.

I look forward to seeing you all again.

Many Thanks and Very Best Wishes,

**Dr. M.MADHUSUDANA VARMA**
